

Sacred Concerts with Irish singer

David Parkes

Direct from Dublin!

2019 Australian Tour Dates

Listen to his incredible witness through a world-wide singing ministry.

David is a renowned international singer and witness on the great mercy of Our Lord through the intercession of Our Lady. David, a personal friend of John, has performed in front of more than a million people over the past 25 years. A great believer in the message of Divine Mercy and the spiritual healing that often takes place through the Sacraments of the Church. He will tell his amazing story of his miraculous healing of Crohns Disease in 1989 in Medjugorje.

Last year David visited Australia for the first time in 20 years and was so inspired that he went back and recorded a new CD; the first one in over 20 years, of which he will be singing a selection of songs at the venues! David's concerts are unique, humorous and spiritually inspirational. Hear him sing *Let Me Live* (the song that he was told would ruin his career but in fact, launched it) and a selection of songs from his eight CDs during his concerts.

At many of the venues, Mr. John Canavan, Director of Divine Mercy Publications (and organiser of David's Concerts) will be supporting David by giving his personal/humorous witness. He was an R-rated comedian in the musical-comedy field and an auctioneer for 20 years as well as a firm non-believer. His life changed dramatically through tragedy. John is now an international speaker on the message of Divine Mercy as revealed to St. Faustina Kowalska.
